By giving your body the proper raw materials everyday, you'll be taking the necessary steps in living healthier, and living longer. Make the decision to take control of your personal health and longevity program, today. //

Dr. Joel Wallach

Dr. Joel Wallach, BS, DVM, ND

The concept of the 90 essential nutrients was developed by Joel Wallach, BS, DVM, ND, founder of youngevity Essential Life Science. A pioneer in bio medical research, Dr. Wallach spent nearly twenty years in the field of Veterinary Medicine, observing and researching the effect of individual nutrients in animal health, before becoming a Naturopathic Physician in 1982. Today, he is renowned for his ground breaking research on the health benefits of selenium and other minerals. He is the recipient of the prestigious 2011 Klaus Schwartz Commemorative Medal, which recognized the work of pioneers in the field of trace element research.

This could help any health problems like:

Cardiovascular Disease, Depression, Diabetes, Hyperactivity, All type of cancer, Tumor, Infertility, Migraine, Arthritis, Back Pain, Bell's Palsy, Eczema, High/Low Blood, Hyperparathyroidism, Insomnia, Liver Problem, Kidney Stones, Osteoporosis, Dermatitis, Neuralgia, Vertigo, Acid Reflux, Allergies, Stomach/Intestinal Pain, Colitis, Alzheimer's, Asthma, Blood Clots, Heart Burn, Gallstones, Dementia, Diarrhea, PMS, ADD/ADHD, Low Libido, Hypoglycemia, Multiple Sclerosis, Psoriasis, Kidney Dysfunction, Miscarriage, Hemorrhoids, Ligament Damage, Gout, Gastritis, Elevated Cholesterol & triglycerides, And Many More....
